In order to draw more participation to State Tournament, we are offering two divisions of play this year.

**Texas Bracket**

These teams will consist of players that reside in Texas only. Residence will be determined by address on driver's license.

**Open Bracket**

These players can be from Texas, out of state or International. We hope to draw more outstanding and exciting play as we have in the past, so if that is what you have done in the past, please continue to do so.

If your roster needs to be adjusted to meet your needs at the National level play, we will work with you on that. Our objective is to increase participation here at the state level. For instance, if you want to bring in an international player to compete in the Open Bracket, but want to play in the C Nationals and a certain player keeps you from qualifying, we can adjust roster for you. Same situation can work in reverse also. If you want to compete in Texas bracket but want to bring in out of Texas player to compete in National Tournament, we can

**adjust your roster also as long as the national office OK's that player to compete in that particular National.**
